City Hall, Room 250
100 N. Holliday Street
Baltimore, MD 21202

Greetings Mayor Rawlings-Blake:

at George Washington Elementary School are very pleased to be community partners with Captain Tosh and his entire department at Engine #23. The students and families at our school have truly benefited from the tireless efforts of Captain Tosh. Captain Tosh and his team made our Family Fun Day a success by not only donating food to our barbeque, they also grilled, prepared plates, and served food to our students and their families. It's one instance to donate to our school, but they truly get involved in community projects, which prove their dedication to the Pigtown Community.

Captain Tosh has also donated school supplies to our less fortunate students so each child will have the opportunity at being well prepared for learning. Our Back-to-School-Night could not have been a success without Captain Tosh sharing fire safety information with our parents. At Back-to-School-Night students were also able to be a fireman for a couple of minutes by trying on uniforms and equipment. Captain Tosh and his entire team have truly made a positive impact on the students here at George Washington Elementary School. They have made themselves readily available at all times whenever we need them. We look forward to continue working with Captain Tosh in the future and hope the station will soon be open on a regular schedule for the safety and benefit of all.

Sincerely,

Amanda P. Rice
Principal
